Summary

I'm a full-stack developer with a robust range of skills. I'm looking for new opportunities that take advantage of my resourcefulness, curiosity, and passion while offering mentorship, community, and challenging opportunities.

Skills

JAVASCRIPT: **React**, Redux, Axios, **Ghost**, **Handlebars**, **ES6**

RUBY: Rails, RSpec

MISC TECH: HTML5, CSS, **Sass**, SQL, **Postgres**, **Git**, OSX, Unix, Vagrant, APIs, nginx

OTHER: Communication, Meeting Facilitating, Bike Mechanics

Experience

June 2020 - September 2020
Bike Chain - *Web Developer*

- Developed a new website for BIke Chain using Ghost (JavaScript CMS), Handlebars templating, and nginx hosted on a DigitalOcean droplet
- Overhauled web design and consulted on better content organization
- Wrote a training handbook to help transition staff to the Ghost CMS interface

September 2019 - June 2020
Community Legal Education Ontario (CLEO) - *QA Tester*

- Performed manual quality assurance testing for programmed interviews created using A2J Author web app

June 2018 - August 2019
St Clare's Multifaith Housing - *Web & Technologies Manager*

- Created a centralized information hub for partner agencies and staff on the organization's website (WordPress)
- Provided administrative and technological support across various offices
- Social media management

Education

February 2022 -April 2022

Juno College - *UX Design*

8 week introductory course to the principles, practices, and tools of UX Design including research, design testing, iteration, accessibility and Figma.

June 2018 - August 2018

Bridge School - *React & Redux*

11 week level-up course for women and trans developers focusing on React and Redux.

Sept 2017 - October 2017

Lighthouse Labs - *Full-time Web Development Bootcamp*

Full time intensive web development bootcamp learning how to construct a working MVP web app in a team environment.

Glendon College, York University

Studied in the multidisciplinary International Studies program which includes: history, political science, economics and philosophy.
